Knowledge is Power

Combining a conference program with an exhibition event offers exhibitors the opportunity to engage with an audience that is seeking solutions to increase productivity, and therefore, is closer to making purchasing decisions.

Mold Manufacturing

All the trends and technologies involved with mold design, manufacturing and maintenance will be included in this conference. Attendees will get technical information on key topics such as cutting tools, EDM, machining, mold components, surface treatment, software and business strategies.

Plastics Transformation

In this session, attendees will learn from experts about the latest trends related to the injection molding process for the automotive, electronics, medical, aerospace, packaging and consumer goods industries that will allow them to excel domestically and in the global marketplace. Materials, automation, Industry 4.0, new processes and scientific molding will be included.

Testimonials

"We are very satisfied with the quality of the attendees at the fair. Unlike other fairs, we have found, first, that it is a very well-specialized event, and second, that the quality of the leads has been very good. These are visitors who are already very focused on the solutions they are looking for or on complementing the processes they require. For that reason, we are very happy to participate in Meximold and we look forward to continuing to do so"

Luis Chávez
Director - Blum-Novotest, Inc.

"We have probably seen higher attendance this year than in previous editions, which shows the growth and interest in this industry"

Blair Kraueter
Global Director of Aftermarket and Sales for Latin America - Mold Masters

Sponsorships Opportunities

Conference Sponsors – Branding on Walls

(2 available - 1 Mold and Additive Manufacturing and 1 Plastics Transformation):

Brand the higher end attendee looking to improve productivity. Sponsors must provide promotional materials.

Attendee Bag Sponsors (2 available):

Each attendee will receive a bag upon entering the show, making this an invaluable branding opportunity. Bag sponsors will also have the opportunity to insert one piece of sales collateral into the bag.

VIP Lunch Sponsor (1 available):

At the VIP Lunch you will find the top customers of Meximold's exhibitors with their hosts. Don't miss the opportunity to place your brand in the most exclusive Meximold lunch: 200 people, admission by invitation only. The Sponsorship includes company's logo on the napkins, rollup banners with your company information at the entrance of the restaurant, and a welcome speech to the 200 guests.

Lanyard Sponsor (exclusive):

Lanyards imprinted with your company's logo offer high visibility for your brand! Each Meximold attendee will receive a lanyard at registration.

Pocket Map Back Cover:

The pocket map is a useful tool that is given for free to all Meximold attendees along with the entrance badge and the tote bag. Place your brand promotion on the back of the map and add your booth number, so that more than 3,500 visitors will search for your company while walking the show!

Upgrade in Meximold.com Listing (unlimited):

Your Meximold.com floorplan listing will expand to include three promotional screens, priority placement on searches, featured exhibitors listings and a corner peel highlighting your booth placement.

Business card & Booth Highlight in the Printed Pocket Floorplan (10 available):

Networking Party

Sponsor this high-profile networking event complete with food, drinks and entertainment. Benefits include promotion of sponsorship in appropriate show marketing materials in print and digitally, custom signage and logo imprints on cocktail napkins.

Meximold Video Experience

Video coverage at Meximold along with multi-channel promotions with industry leading voices, increasing your event investment into long lasting marketing impact.
